Dear Campers, Parents, and Care Providers,

We're super excited about Summer Camp 2020 and hope you are too! Before completing your application, please read the information below carefully to ensure your camper's prompt acceptance for this summer's program. Yes...even those of you who have attended...***FORVEVER***. Pay particular attention to the information regarding authorization forms (**bolded**, *italicized*, and underlined) because it's important stuff! Please don't hesitate to call with any questions you may have. Stay warm, think spring, and be safe!

- Fees for this summer remain the same as last summer. \$225/week (\$325 for non-residents).
- The fee form must be completely filled out and returned with the application...no exceptions.
- Hardcopies of all payment authorizations must also accompany the fee form (or be available online when applicable). Confirmations will not be sent until these are on file.***
- The waiver form needs to be returned with your application. This is required by our insurance carrier.
- We are closed the week following July 4th.
- Please review the age groups noted on the application and sign up accordingly.
- There are two weeks that Andrea and I are using for hand scheduling/special programming. Please do not select either of these weeks.
- Physical forms and medication information forms do not need to accompany applications but must be returned before admittance to camp. These forms may be brought to camp at check-in or mailed separately. If mailing separately, please use the address on the bottom of the physical form.
- An early reminder regarding packaging medications...everyone must prepackage medications by dose. Envelope must include campers first and last name, day, date, and time medication/s is to be given, and the number of pills in the envelope. Small coin envelopes work great for this. Bubble-packs are also acceptable provided the information is complete and legible. Campers arriving without their medications prepackaged will not be admitted to camp.
- T-shirt(s) should be paid for with a separate check. Please do not add the cost of the t-shirt to your camp fee. Thank you! Cut-off for t-shirt orders is May 1st, 2020.
- Applications are due March 13th.**

We are looking forward to seeing you this summer!
